

Help Our School Earn Cash!
This only takes a moment of your time.
Ask friends and family members to sign up also and designate
St. John's School!

Harris Teeter stores sends checks to SJS just because you shop and use your VIP Rewards card. But your card must be “linked” so the store knows what school to give the cash to. If you have designated SJS for your rewards already, you will need to re-link for this school year. If you are a new family, please link your card and designate St. John's School for your rewards. Currently we only have 21 families linked. ☺

HARRIS TEETER VIP CARDS MUST BE RE-LINKED EVERY YEAR IN JUNE.

Harris Teeter SJS School Code is 4706.

This will automatically earn credit for the school, every time you use your Card. If you do not have a card, you can sign up for one at any Harris Teeter location or online.

Ask your friends and relatives to register their card number also.
